

### **REMARKS**

The Examiner has required that Applicant elect a single disclosed species for prosecution as set forth in the Office Action, and then elect to prosecute one of the two species of claims. Currently, claims 25-57 are pending in the application. In this Amendment, claims 1-24 are withdrawn. Applicant respectfully traverses the restriction as to the Species thermoplastic and thermosetting and elects Species thermoplastic, which comprises claims 25-57 as identified below for prosecution.

If the Examiner finds any remaining impediment to the prompt allowance of these claims that could be clarified with a telephone conference, Applicant respectfully requests the Examiner to contact Mimi Diemmy Dao at (408) 720-8300.

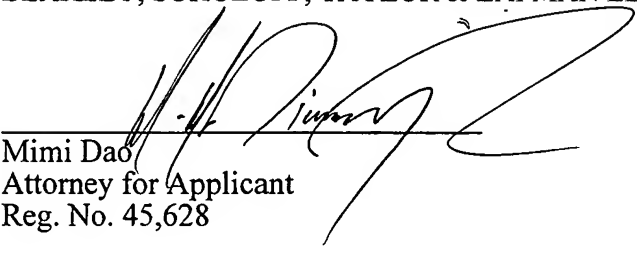

**Deposit Account Authorization**

Authorization is hereby given to charge our Deposit Account No. 02-2666 for any charges that may be due.

Respectfully submitted,
